## The journey begins...

If the local quarry scene is not up your alley, and diving in an exotic international location doesn't fit your time schedule, let us help you have a local'ish and incredibly fun dive experience in sunny Florida

Our Instructors will lead you on a two day Stress & Rescue plus certification weekend. The beautiful waters of Blue Grotto and Devil's Den are the perfect place to start your dive adventure!

Rooms are based on double occupancy and are located right there at the site. We will meet Friday evening in Florida at the Blue Grotto Dive Resort. Saturday morning, the fun begins. We dive Saturday & Sunday. Head back home that afternoon as a certified Stress & Rescue Diver plus, (if you have the CPR, 1<sup>st</sup> AID, O2 delivery!)
